IMM WELCOMES INTEGRATED CARE PROGRAM AT JAMES B. HAGGIN MEMORIAL HOSPITAL

(HARRODSBURG, Ky.) July 1, 2016 – As of July 2016, Island Medical Management (IMM) provides physician management and staffing services to the Emergency Department and Hospitalist program of James B. Haggin Memorial Hospital located in Harrodsburg, Kentucky.

"IMM is excited to provide Emergency Department and Hospitalist services to James B. Haggin Memorial Hospital. We believe our integration of the two departments will enhance the performance of both programs, and prove to have a positive impact on the surrounding community," says Dr. Donald Brock, Regional Medical Director of IMM.

James B. Haggin Memorial Hospital is a 25-bed critical access hospital with Level IV Trauma Center designation. The facility efficiently provides quality medical care and health care services to the residents of Mercer and surrounding counties. Their services meet identified community needs and are provided with the highest concern for patients and their families. To learn more about the hospital, visit <http://hagginhosp.com/>.

Island Medical Management (IMM) is a clinically led, physician owned, and privately held organization with over 20 years of management experience. IMM's unique model offers every advantage of a local community based group, backed by the resources of a national organization. The group currently partners with more than fifty hospitals throughout eight states to serve 1.2 million patients annually. For more information, visit <http://www.IMMH.com>.
