IMM WELCOMES INTEGRATED CARE PROGRAM AT RED BAY HOSPITAL

(Red Bay, Ala.) October 1, 2015 – As of October 2015, Island Medical Management (IMM) provides physician management and staffing services to the Emergency Department and Hospitalist program of Red Bay Hospital located in Red Bay, Alabama.

"IMM is excited to provide Emergency Department and Hospitalist services to Red Bay Hospital. We believe our integration of the two departments will enhance the performance of both programs, and prove to have a positive impact on the Red Bay community," says Dr. Neil Schamban, CEO of IMM.

Red Bay Hospital---an affiliate of Helen Keller Hospital in Sheffield, Alabama---is a 25-bed, not-for-profit critical access hospital. The site's Emergency Department provides services to a volume of 5,000 patients each year.

Island Medical Management (IMM) is a clinically led, physician owned, and privately held organization with over 20 years of management experience. IMM's unique model offers every advantage of a local community based group, backed by the resources of a national organization. The group currently partners with more than fifty hospitals throughout seven states to serve 1.2 million patients annually. For more information, visit <http://www.IMMH.com>.
