IMM WELCOMES SHOALS HOSPITAL EMERGENCY DEPARTMENT

(Muscle Shoals, Ala.) November 21, 2015 – As of November 2015, Island Medical Management provides the Emergency Department of Shoals Hospital with physician management, leadership, staffing, coding, billing, and revenue cycle management services.

"IMM is excited to partner with Shoals Hospital and Regional Care Hospital Partners. We look forward to improving the patient experience and becoming actively involved in the community of Muscle Shoals," says Dr. Neil Schamban, CEO of Island Medical Management (IMM).

Shoals Hospital---an affiliate of Regional Care Hospital Partners---was founded in 1968 by a group of physicians dedicated to serving the residents of Colbert County. Today the 178-bed, acute care facility hosts an 8-bed Emergency Department that provides services to 15,000 patients each year.

Island Medical Management (IMM) is a clinically led, physician owned, and privately held organization with over 20 years of management experience. IMM's unique model offers every advantage of a local community based group, backed by the resources of a national organization. The group currently partners with more than fifty hospitals throughout seven states to serve 1.2 million patients annually. For more information, visit <http://www.IMMH.com>.
